*On a bleak Friday afternoon, our savior Jesus Christ was crucified at Golgotha, "the place of the skull."*

*Today, we have our own Golgotha: the abortion clinic, where 2,000 years after the Crucifixion, His image is violently destroyed, again and again, by abortion.*

*Through His Holy Passion, Our Lord united Himself with all innocent victims of suffering and cruelty through the ages—and none is more innocent than the child killed in the womb.*
