Meet Life

"It is always shocking to meet life where we thought we were alone. . . . There comes a moment when the children who have been playing at burglars hush suddenly: was that a real footstep in the hall? There comes a moment when people who have been dabbling in religion. . . . suddenly draw back. Supposing we really found him?" C.S. Lewis 1947

Excerpt from Daily Reading From Spiritual Classics Edited by Paul Ofstedal

Lord, sometimes we forget that it is Easter, and we do not expect to meet you on our road. Surprise us with the joy of your presence. AMEN

Eucharistic Revival—West Deanery

St. Ann Catholic Church was host to the West Deanery's Kickoff to the National Eucharistic Revival on Tuesday, April 18th. There were approximately 130 individuals present to participate in adoration and the sharing personal experiences involving the Eucharist. Small group discussions were held in which the following questions were addressed.

1. Why is the Eucharist important to you?
2. Describe a time when you encountered the love of our Eucharistic Lord.
3. What role does the Eucharist play in your relationship with Jesus?
4. What role does the Eucharist play in your ministry at the parish?
5. If someone were to ask you why they should start making the Eucharist a part of their life—or increase the Eucharist's role in their life, what would you say?

The evening was a great success!

Sacramental information

Anointing of the Sick

For "The Rite of Anointing" **there is no need to wait until a person is at the point of death to receive the Sacrament.** A careful judgment about the serious nature of the illness is sufficient. Waiting until near the time of death in many cases is too late. **The priest can only give the sacrament to the living.** In the case of death and the priest is called a blessing can be offered over the body and to the family members. However, it is not then anointing of the sick.

WHO MAY BE ANOINTED?

Baptized members of the Christian faithful who have reached the age of reason and who begin to be in danger due to sickness or old age may receive the sacrament of anointing.

The elderly who are weakened, even though no notable illness is present, may choose to participate in the sacrament.

Those who face surgery due to serious illness.

Those who suffer serious mental illness.

"Is anyone among you suffering? He should pray. Is anyone in good spirits? He should sing praise. Is anyone among you sick? He should summon the presbyters of the church, and they should pray over him and anoint [him] with oil in the name of the Lord, and the prayer of faith will save the sick person, and the Lord will raise him up. If he has committed any sins, he will be forgiven."

When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. Even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing where the sick person receives the Holy Spirit's gift of peace and courage to deal with the difficulties of serious illness or the frailty of old age.

Personal prayer for those suffering from infirmities and renewed strength:

O Lord, my God, please give me the grace to maintain my hope in you through all of life's changes and to taste and see your goodness. I praise you for the gifts you have showered on me for so many years. Help me find joy in a renewed strength of spirit. Please bless me with good health and inspire me to be a good example to others. For you are Lord, forever and ever. Amen
