### **Meet Life**

The woman stood in a garden, bent with grief. She heard the man speaking to her, but tears blinded her eyes. Mary Magdalene had come to the tomb of her Master, expecting to find death there. Instead, it was Life that greeted her, "Mary," he said. Life called her by name, addressing her fears, her grief, her pain. But she was not ready for such a meeting. She was seeking her Master, but was not expecting him to greet her. She had thought she was alone. The one she had thought was the gardener was, in truth, the Gardener's Son, fresh-risen in victory. Surprised by joy, Mary saw Easter in him, and she told his disciples, "I have seen the Lord" (John 20:18)

Lord, sometimes we forget that it is Easter, and we do not expect to meet you on our road. Surprise us with the joy of your presence. AMEN

## Sacramental information:

### Anointing of the Sick

For "The Rite of Anointing" **there is no need to wait until a person is at the point of death to receive the Sacrament.** A careful judgment about the serious nature of the illness is sufficient. Waiting until near the time of death in many cases is too late. **The priest can only give the sacrament to the living.** In the case of death and the priest is called a blessing can be offered over the body and to the family members. However, it is not then anointing of the sick.

### WHO MAY BE ANOINTED?

Baptized members of the Christian faithful who have reached the age of reason and who begin to be in danger due to sickness or old age may receive the sacrament of anointing.

The elderly who are weakened, even though no notable illness is present, may choose to participate in the sacrament.

Those who face surgery due to serious illness.

Those who suffer serious mental illness.

When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. Even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing where the sick person receives the Holy Spirit's gift of peace and courage to deal with the difficulties of serious illness or the frailty of old age.

Personal prayer for those suffering from infirmities and renewed strength:

*O Lord, my God, please give me the grace to maintain my hope in you through all of life's changes and to taste and see your goodness. I praise you for the gifts you have showered on me for so many years. Help me find joy in a renewed strength of spirit. Please bless me with good health and inspire me to be a good example to others. For you are Lord, forever and ever. Amen*
