## What Is Going On At Mass?

Let us examine the Mystery of Faith more deeply. The Second Vatican Council teaches, the Mass perpetuates the Sacrifice of the Cross throughout the ages until Jesus Christ comes again in glory. The Mystery of Faith announces three main points: past, present, future. It recalls the event of the Cross [We proclaim your Death, O Lord], a present reality [and profess your Resurrection] and a future anticipation [until you come again]. The redemptive sacrifice of Jesus on the Cross is of infinite and eternal value. Therefore, redemption isn't an historical event—it is a present reality! At the celebration of the Mass, then, the Cross is remembered in such a way that it is rendered present. We are not spectators of a theatrical re-enactment, but of a sacramental re-presentation”.

This teaching highlights for us that having Christ truly present in the Mass really stretches us beyond our limits of space and time. At a point in history, we know that Jesus carried the Cross and offered himself in sacrifice for the forgiveness of our sins. Yet, the Mass allows us to touch that offering, not just as something that happened in the past but as truly present—the one perfect sacrifice of Jesus there before us.

On the altar of the Cross, Jesus Christ offered himself to the Father “for you and for many for the forgiveness of sins.” At the last Supper, when Jesus instituted the way in which we would celebrate this redemptive sacrifice, he said, “Do this in memory of me.” The anamnesis of the Eucharistic prayer calls to mind the Paschal Mystery—the passion, death, resurrection, and ascension of the Lord. As the catechism teaches, “the memorial is not merely the recollection of past events but the proclamation of the mighty works wrought by God. Thus, the sacred events are made present and real at the Mass. As the paschal Mystery is made present to the Father, the Church, through the Holy Spirit, is united with Christ in his perfect sacrificial offering.

Perhaps this helps to more clearly understand what we mean when we say “Memorial.” The Biblical understanding of memorial is much more than remembering. For us, we might look at an old photo album and recall from the pictures the joy of a certain day. The beauty of the Mass as sacrificial memorial is that it bring us into that certain day. This reality leads us into the meaning of “Mystery”.

One meaning of the word mystery is that something is difficult to explain or understand. But from our faith perspective, it really is an invitation to grow deeper. We know that God is infinite and we are not. We know that the truths of God can sometimes feel beyond our daily lived observation and experience. We also know that God has revealed himself to us in love and the Jesus has given himself in sacrifice out of love. The Mystery of Faith really invites us to meditate with joy on the realization that God loves us and brings many truths and realities together at once to show the abundant generosity of that love.

Mother Teresa said, “If Jesus had not established the Eucharist we would have forgotten the crucifixion. It would have faded into the past and we would have forgotten that Jesus loved us. There is a saying that to be far away from the eyes is to be far away from the heart. To make sure that we do not forget, Jesus gave us the Eucharist as memorial of His love. When you look at the Crucifix, you understand how much Jesus loved you then; when you look at the Sacred Host, you understand how much Jesus loves you now.”

### National Eucharistic Congress

The National Eucharistic Congress (NEC) is in need of several hundred volunteers for the upcoming event taking place in downtown Indianapolis July 17-21, 2024. There are many full-time and part-time volunteer opportunities available that we are asking for your assistance in helping to fill. The scope of the daily commitment for full time dedicated volunteers is from Tuesday, July 16 at 9:00am until Sunday, July 21 at 2:00pm. (This includes a full day of volunteer training prior to the kick-off of the event.) For those who are unable to serve the entire time, daily part-time volunteer shifts in a variety of roles are open. The greatest area of need is full-time volunteer ushers. This role entails greeting guests at sessions either in Lucas Oil Stadium or the other large programming halls at the Convention Center. The benefit of this job is that ushers get to hear much of the Congress programming for free! This is a great opportunity for young adults, college students, retirees, or anyone who is looking for an affordable way to be a part of this historic event. For more information on volunteer opportunities, and to register as a volunteer, please visit <https://www.eucharisticcongress.org/volunteer>.
