## What is the National Eucharistic Revival?

Our world is broken. We are all in need of healing. Yet, we are often separated from the very source of our true strength, Jesus Christ. He invites us to return to the source of our Catholic faith in the celebration of the Eucharist.

The National Eucharistic Revival is an active response to this invitation—a catalyst for change to rekindle and deepen our understanding and devotion to the great mystery, the Eucharist.

During the next year the focus of this revival is at the parish level.

### Will you respond to this invitation?
