Novena for the Legal Protection of Human Life

"Each Friday, from August 3 - September 28, 2018, I urge all people of good will to join me in prayer that this change in the U.S. Supreme Court will move our nation closer to the day when every human being is protected in law and welcomed in life. The **USCCB Call to Prayer network** will share prayers and educational resources and an invitation to fast on Fridays for this intention.

May Our Lady of Guadalupe intercede for the healing of our nation and our people from decades of abortion on demand."

Cardinal Timothy Dolan, Archbishop of New York and Chairman of the U.S. Conference of Catholic Bishops (USCCB) Committee on Pro-Life Activities

Sign up to participate at www.usccb.org/pray!

Participants will receive weekly email or text reminders to pray and fast, along with little-known facts about *Roe v. Wade* to share with others.

Intention for August 24, 2018

Pray: *Our Father...*, *Hail Mary...*, *Glory Be...*

Fast: Offer a sacrifice for the intention.

Learn: **Roe's extreme abortion license is not widely supported.**

Abortion advocates claim that *Roe* enjoys broad public support and some recent polls seem to provide evidence for this claim. But most polls don't explain *Roe's* extreme abortion license and some misrepresent it. For example, a 2016 Pew Research Center poll claims 69% of Americans favor *Roe v. Wade* and 28% oppose it.¹ But the poll wrongly describes *Roe* as establishing "a woman's constitutional right to an abortion, at least in the first three months of pregnancy." The fact is, *Roe* made abortion legal through all 9 months of pregnancy and for virtually any reason.²

The vast majority of Americans oppose the policy of nearly unlimited abortion dictated by *Roe*, and most believe abortion should not be legal for the reasons it is most often performed. A June 2018 Gallup poll shows that 72% of Americans said abortion should be illegal in the second trimester and 87% said abortion should be illegal in the last trimester.³ A 2018 Marist poll shows that 51% of women said abortion should never be permitted (9%) or permitted only in cases of rape, incest, and to save the woman's life (42%).⁴

So why do polls show a majority of Americans favoring *Roe v. Wade*? Because they don't really know what *Roe* did.
