Novena for the Legal Protection of Human Life

"Each Friday, from August 3 - September 28, 2018, I urge all people of good will to join me in prayer that this change in the U.S. Supreme Court will move our nation closer to the day when every human being is protected in law and welcomed in life. The **USCCB Call to Prayer network** will share prayers and educational resources and an invitation to fast on Fridays for this intention.

May Our Lady of Guadalupe intercede for the healing of our nation and our people from decades of abortion on demand."

Cardinal Timothy Dolan, Archbishop of New York and Chairman of the U.S. Conference of Catholic Bishops (USCCB) Committee on Pro-Life Activities

Sign up to participate at www.usccb.org/pray!

Participants will receive weekly email or text reminders to pray and fast, along with little-known facts about *Roe vs. Wade* to share with others.

Intention for September 7, 2018

Pray: *Our Father...*, *Hail Mary...*, *Glory Be...*

Fast: Offer a sacrifice for the intention.

Learn: **Pro-Life laws can and do reduce abortion rate**

Even legal experts who support abortion believe *Roe* is not well-reasoned and is a case of extreme judicial overreach.

Most people on both sides of the abortion debate agree that reducing the number of abortions is a desirable outcome. While some argue that contraception is the key to reducing the abortion rate, real-world evidence does not back that up. Instead, research shows that even when women were provided with free "emergency contraception" ahead of time, the pregnancy and abortion rate remained statistically equivalent with those who were not provided with it.¹ In fact, the availability of contraception and abortion can increase the rate of unintended pregnancies (as well as sexually transmitted infections) as studies show that people engage in more frequent and riskier behavior if they believe their risk has been lowered.²

On the other hand, evidence suggests that laws restricting the funding of abortion (like the Hyde amendment preventing Medicaid funds from going to abortion) or limiting its availability, involving parents, and providing women with more information lower the rate of abortion.³ Unfortunately, *Roe*, its companion case *Doe*, and some subsequent rulings have been used to invalidate many laws meant to lower the rate of abortion.

The Pro-Life Film series continues on Friday, September 14 at 6:30 p.m. at St. John's (in the Pan Am building).

The film will be *Not My Life*. **Not My Life explores the cruel and dehumanizing practices of human trafficking and modern slavery on a global scale.** The film will be followed by a panel discussion. Through the panel discussion learn how human trafficking effects our local community. Panelists include: an IPD detective, the mother of a human trafficked victim, and a therapist for human trafficked survivors. Admission to the film is free, and a simple supper will be served. To register, contact Sheryl Dye at smdye1@gmail.com or 317.407.6881. This event is sponsored by the Holy Rosary Pro-Life Ministry and the Sanctity of Life Committee of St. John the Evangelist Church.--
