# PRO-LIFE LECTURE

Melissa Ohden | Abortion Survivors Network

**Melissa Ohden**  
Founder and CEO of  
Abortion Survivors Network

*Now a mother, herself, Melissa Ohden has experienced first-hand what she calls the "intergenerational impact of abortion." The reality is that abortion doesn't just impact a woman's life; it ends a child's life. It forever changes the lives of everyone it touches, including women, men, extended family members, friends, and our communities.*

All are welcome to join us for this Pro-Life Lecture on Friday, November 15. Most people do not realize that sometimes abortion procedures fail, are stopped, or reversed (abortion pill), and survivors exist. **Come hear Melissa Ohden share her story as an abortion survivor and pro-life speaker.**

In 1977, Melissa's biological mother was a 19 year old college student when she had a saline infusion abortion that was meant to end Melissa's life. Although her biological mother thought that she was less than five months pregnant when she had the abortion, the fact that Melissa survived and weighed almost 3 pounds indicates that her biological mother was much further along in her pregnancy than she realized.

*"Our culture has hidden the truth about how babies survive abortions. And our culture has left us unsupported. And for many of us sitting in a place of shame and having to grapple on this journey on our own." - Melissa Ohden*

## Bobby Kloska to address Catholic Business Exchange

Robert "Bobby" Kloska, Chief Partnership Officer of the Notre Dame Federal Credit Union and proprietor of St. Peter's Pub at the University, will speak at the November Catholic Business Exchange. The title of his talk is: "Faith Through the Fight: My Journey with Cancer".

Since 2003, he has experienced three separate occurrences of cancer which have led to chemotherapy, radiation, two stem cell transplants, 30+ surgeries, a heart attack, three coronary stents, two incurable viruses, chronic blood issues, and countless hospitalizations and outpatient IV treatments. In 2014, Bobby was hired at Notre Dame Federal Credit Union to help develop and implement the CEO's vision for a national Catholic financial ecosystem. Today, Notre Dame FCU has contributed to the well-being of three dozen dioceses nation-wide, funding Catholic radio stations, schools, and parishes. Among his many other accomplishments, he might be most notably known as the proprietor of St. Peter's Pub, a 110-year-old backyard carriage house which has been converted into a Catholic friendly social hub for the university community, along with neighbors, family and friends.

The event is November 15, at the Northside Events and Social Club. Mass is offered at 7am and the program will be finished by 9am. Cost for the program includes a great breakfast and is \$18 in advance for members and \$24 for non-members. Registration is required by 4pm, Tuesday November 12. To register, pay online and for more information, visit [www.catholicbusinessexchange.org](http://www.catholicbusinessexchange.org).

A "Listening Session" was held by the Archdiocese of Indianapolis at St. Mark Catholic Church on Wednesday, October 30<sup>th</sup>. St. Ann's was very well represented with nearly thirty parishioners in attendance at the standing-room-only event. Each person in attendance was asked to answer two questions about our parish/archdiocese in regards to five categories.

The two questions were:

1. Where are we today?
- and 2. Where is God calling us to be?

The five categories were:

1. Community and Social Issues
2. Evangelization & Catechesis
3. Parish & Family Life
4. Faith Formation & Education
- and 5. Catholic Social Teaching/Service

How would you answer these questions for each category?

## The Giving Tree 2024

Over the years, we have partnered with local non-profit organization Community Caring and Sharing, from which we adopted families for our Giving Tree. Sadly, Caring and Sharing closed down this year. However, we will be adopting families from the Gabriel Project, which assists women who are pregnant or who have recently had a baby and are in need of some support.

One of those women's baby is due December 23!

We will be hanging donation envelopes on a Christmas Tree in the narthex around Thanksgiving. If you would like to support the Giving Tree this year, please take an envelope, enclose your donation, and drop the envelope in the collection basket at Mass. You may also mail a check or money order to the parish office. Please return your donation no later than December 15.

Checks or money orders should be made out to St. Ann Parish with "Giving Tree" on the memo line.

As in the past, we will collaborate with our parish's chapter of the St. Vincent de Paul Society to use these donations to assemble food and gift baskets for each family (including clients of SVDP). Distribution date is December 21<sup>st</sup>, from 9:00 a.m. to 11:00 a.m.

Any amount you can give, no matter how large or small, is gratefully appreciated. If you cannot donate, please keep these families in your prayers.

God bless,

Mike Duffy—Giving Tree Chairman—317-757-9141

Next time you see him say hi to... Mike Duffy!

The best of all worlds, St. Ann is only a few minutes from Mike's house. A plus when surveying the area to move from northwest Indiana where he attended Purdue Calumet (now Purdue Northwest) and where his parents currently reside. Growing up in the south suburbs of Chicago, Mike attended Marian Catholic High School. He is a Valparaiso University grad who went on to law school and is in practice as a title insurance agency attorney. In his spare time, Mike enjoys car shows and car events at the Speedway. You might recognize him in this photo with Keanu Reeves.

Most important to him about Catholicism is the direct connection with God through the Eucharist. "Catholicism offers the fullest revelation of God's identity and His relationship with mankind." A St. Ann parishioner since 2010, Mike helps coordinate the St. Ann prayer chain, heads both our Giving Tree ministry and Gabriel Project St. Ann chapter - which serves Decatur Township within a rough radius of St. Ann - and has been involved in pro-life ministry for 25 years. Exciting news: Once renovations are complete, Gabriel Project will open 1st Choice for Women Pregnancy Care Center on Kentucky Avenue. Thank you for your helping to fill the Gabriel Project bassinet in the narthex for Respect Life Month (October)!

You may have seen the Giving Tree appeal in the bulletin. Last year, 25 families received food and gift baskets thanks to your donations. With your help, Mike hopes to see that number increase to 30 families this year.

"The most names I've ever seen" is how Mike describes sign-ups at the St. Ann 10/6 Ministry Fair and Brunch where he represented the Giving Tree/Respect Life ministry table. "Respect Life has struggled to get volunteers and people to show up at events" Mike laments, but he hopes to see more volunteers and increased engagement with St. Ann ministries overall. To that end, Mike noted St. Ann parish is becoming younger, with more families and youth attending Mass and events. Interested in becoming an active member of the Respect Life Ministry? Please contact Mike Duffy at 317-757-9141. He would love to have "more volunteers and willing hands to help!" Thank you for your service and leadership, Mike!

### Dilexit Nos—He Loved Us

**DILEXIT NOS is the fourth encyclical of Pope Francis, subtitled "On the Human and Divine Love of the Heart of Jesus Christ"**

According to Courtney Mares of the Catholic News Agency there are seven major take-aways from the encyclical.

1. Nothing can separate us from the love of Christ;
2. The power of the heart in a fragmented world;
3. The cross as the ultimate expression of Christ's love;
4. Love as a missionary impulse;
5. Acts of reparation to the Sacred Heart of Jesus;
6. Saints and the Sacred Heart;
7. The wounded heart of Christ as a wellspring of peace and unity.
